

Children's Circle Montessori School

Enrollment Policy

Parents/Guardians must complete and sign a required Enrollment Form in full before a child may begin a program. One signature is acceptable on the Enrollment Form. Parents/Guardians are welcome to read policies and procedures online or in the office. Parents/Guardians must register on the school's website, www.childrencirclemontessori.com to access the School Calendar and other communication. Parents/Guardians must read, signed and comply with the Commitment Form.

Immunization Policy

Children's Circle Montessori School has the responsibility to ensure a healthy environment for its students by keeping accurate and up-to-date immunization records. Children's Circle Montessori School requires proof of immunization of children upon enrollment. If it is not immediately available, the parent/guardian is expected to provide it as soon as reasonably possible. Parents/Guardians will be expected to provide proof of immunization in accordance with the recommendation from Health Canada Immunization Schedule and the Medical Officer of Health. The records will include the child's name and date of birth.

Children do not require to be immunized if the parent/guardian objects in writing to the immunization on the grounds that the immunization conflicts with the sincerely held convictions of the parent's/guardian's religion or conscience or a medical practitioner provides a medical reason in writing as to why the child should not be immunized. The Statement of Conscience or Religious Belief Affidavit (Ministry of Health) must be completed and notarized.

Records will be maintained up-to-date and be readily available for inspection. The records will also be provided to the Region of Peel upon request. Parents/Guardian will also complete a blue form called Immunization Records Form for Children in a Child Care Centre. This completed form and a copy of the child's immunization record will be send to Peel Public Health by Children's Circle Montessori School.

Classroom Placement Policy

The Toddler program is a 1-year program and the Casa program is a 3-year program. Once a child is placed in a Toddler or Casa classroom, they will remain in that classroom for the period of time they are enrolled in the program. In the best interest of the child, their peers and the staff, children will not switch classrooms from year to year nor during a school year.

Movement from the Toddler Program to the Casa Program Policy

The Education Director and School Director will be responsible for the movement of a child from the Toddler Program to the Casa Program. There are various factors which determine a child's transition into the Casa Program including their age (2.5 years) as well as the availability of space in the Casa Program. The Education Director will consult with the child's support system concerning the readiness of the child. Parents/Guardians will meet with the new lead staff member during or after the transition; depending on everyone's schedules. The child will participate in a week or two of transition. Some children may not even require a full week of transition.

The School Director determines into which classroom the Toddler transitions. Parents/Guardians requests will be taken into consideration; however, this is ultimately the School Director's decision. The Casa program is a 3-year program. Once a child moves into a Casa classroom, they will remain in that classroom for the duration of their enrollment at Children's Circle Montessori School. In the best interest of the child, their peers and the staff, children will not switch classrooms from year to year nor during a school year.
